

# Airline Travel Information for the National Singles Championship

- Due to increased Security measures American Airlines suggests that you arrive at least 90 minutes before departure.
- Photo ID is now required at Check-in and before boarding the plane. (The photo identification must be current and government-issued, such as driver's license or passport.)
- All Airlines are now required to start 100% screening of all passenger baggage.
- When checking any luggage be sure your name and contact information is on the outside and inside of each item.

*Pool Cues & Cases **are not allowed** as a carry-on item. It must be checked in as luggage prior to boarding your flight.*

*Here are some suggestions for traveling with your cue(s):*

*-Bubble-wrap your case with cue(s) enclosed in a box that you can check through as luggage. Sealed boxes that are checked-in are not required to be opened. They will be screened prior to being placed on the airplane.*

*-Check-in your cue case as luggage but bubble-wrap cue(s) separately in your clothing luggage.*

*-Bubble-wrap your case and cue(s) in your clothing luggage.*

- New Federal Carry-On rules allow one standard-size carry-on bag and one personal item. That personal item is limited to:
  - Purses, Briefcase, Laptop computer, Small bookbag style backpack

All items allowed beyond the restrictions are:

- Coats or wraps
- Safety seats for Children
- Books or newspapers
- Small bags of food that is consumable
- Disk player or similar sized personal entertainment item
- Assistive devices such as wheelchairs, walkers, oxygen, etc.

*The above information was received from American Airlines. Specific Airports and other Airlines may have more restrictions that apply. We suggest you contact your Airline prior to departure for specifics. If we receive updated or additional information regarding this situation, we will post it on our website at [www.poolplayers.com](http://www.poolplayers.com).*
