An inning is not over therefore, not marked until the player who lost the initial lag misses or otherwise completes his/her turn.

A Defensive Shot must be marked for a player on any shot where there is no INTENT to legally pocket a ball of his category. At the end of the match, total and circle the number of Defensive Shots for each player. If there are no Defensive Shots by a player write "No DS" in the block.

A T is marked in the game box when the player takes a time out. In the first game, the player listed first in this match had a time out. In the second game of the match, both players had a time out.
